Conclusions & Recommendations:

12Hrs, Section 203(s)(1)(a) covered ER had violations for RK, OT and FMLA Policy. The ER had no CL, MW and HW violations. ER was paying overtime at the wrong rate and agreed to compute back wages to pay the OT. WHI verified the computations and the ER agreed to pay and comply by paying the back wages. Back wages are \$144,072.79 for 402EEs for the entire enterprise. WHI recommends this case be closed administratively when proof of payments are received in the Atlanta District Office.
